Guadalupe River State Park

Discover the beauty and wonders of Guadalupe River State Park.

Welcome! Now that you are here, slow down, breathe and take in all that our park offers. Cast a line, take a hike, join an interpretive program, visit the Discovery Center, camp, picnic or just enjoy the beauty of the Guadalupe River. We're happy to have you here.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity. Don't forget, your pets needs water, too!

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on trails. Do not approach wildlife!

BE CAREFUL IN THE RIVER. Currents can be faster than they appear and river depth is variable; swim at your own risk.

CHECK FOR TRAIL CLOSURES. Environmental conditions may result in temporary trail closures.

TRAIL ETIQUETTE

Trash your trash. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick. Please do not feed them.

Don't Pocket the Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

Campfires are only permitted in fire rings due to potential for ground scarring and wildfires.

Leash your pets. Keeping them on a leash and under control protects your pets, other people, and wildlife.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
